

## **JOB OPPORTUNITY – ODOO DEVELOPER**

### **1. DESCRIPTION OF THE ORGANIZATION**

FUNDACIÓN VALENCIAPORT is a non-profit private organization, with more than 70 employees, located in Valencia (Spain), that provides services to the port and logistics cluster. It is an Applied Research, Innovation, Training and International Cooperation centre dedicated to the design, implementation and execution of R&D&I and consultancy projects specialized in logistics, transport and ports, aimed at improving the competitiveness of companies and institutions in the port logistics sector.

### **2. DESCRIPTION OF THE JOB**

We are looking for an Odoo Developer with experience in developing, implementing, and customizing business solutions based on Odoo. The candidate will also participate in integrating Odoo with other systems, optimizing business processes through technological solutions, and supporting other development needs arising from innovation projects within Fundación Valenciaport.

More precisely, foreseen activities would be:

- Develop and customize Odoo modules.
- Integrate Odoo with other systems via API and Web Services.
- Develop PBIX dashboards connecting with ODOO Database.
- Optimize business processes through ERP solutions.
- Provide technical support and issue resolution.
- Collaborate with business and consulting teams to enhance user experience.
- Implement code improvements and optimize databases.
- Participation in research and innovations projects.

### **3. SELECTION CRITERIA**

- BSc, MSc, or PhD in Software Engineering, Computer Engineering, Electronic Engineering, Industrial Automation, or similar specialization.
- Minimum 3 years of experience in Odoo development.
- Advanced knowledge of Python, PostgreSQL, JavaScript, and XML.
- Experience in Odoo module development and workflow customization.
- Knowledge of system integration via REST/SOAP APIs.
- Experience with PBIX.
- Experience with other ERP and CRM systems is a plus.
- Fluent in English (excellent speaking and writing skills). Minimum level C1 or similar.
- Good communication skills, both oral and written.
- Excellent teamwork skills, strategic thinking, willingness and ability to work with no or little supervision.
- Availability to travel.

### **4. CONDITIONS**

- Full time employment contract.
- Salary based on qualifications, skills, specialisation and experience of the candidate.
- Flexibility & autonomy depending on coordination and projects.
- Friendly team & collaborative environment. Innovative projects.
- Additional benefits and bonuses.
- Sponsored training according projects.

---
