

JOB OPPORTUNITY - SOFTWARE DEVELOPER ENGINEER

1. DESCRIPTION OF THE ORGANIZATION

FUNDACIÓN VALENCIAPORT is a non-profit private organization, with more than 70 employees, located in Valencia (Spain), that provides services to the port and logistics cluster. It is an Applied Research, Innovation, Training and International Cooperation centre dedicated to the design, implementation and execution of R&D&I and consultancy projects specialized in logistics, transport and ports, aimed at improving the competitiveness of companies and institutions in the port logistics sector.

2. DESCRIPTION OF THE JOB

We are looking for a graduate in Computer Science, Software Engineering, or a related field, to join a multidisciplinary team specializing in R&D, innovation, and consulting projects focused on the digital transformation of transport, logistics, and ports.

More specifically, in the following activities:

- Front-end development using Angular.
- Back-end development with .NET core.
- Access and management of MongoDB data sources.
- Creation and access to APIs.
- Application of Scrum methodologies
- Use of Microsoft DevOps for managing work items, software repositories and CI/CD
- Preparation of software documentation.

3. SELECTION CRITERIA

- BSC or MSC in Computer Science, Software Engineering, or a related field.
- Demonstrable experience in software development.
- Fluent in English with excellent spoken and written communication skills.
- Good communication skills, both verbal and written.
- Excellent teamwork skills.
- Availability to travel.

4. CONDITIONS

- Full time employment contract.
- Salary based on qualifications, skills, specialisation and experience of the candidate.
- Flexibility & autonomy depending on coordination and projects.
- Friendly team & collaborative environment. Innovative projects.
- Additional benefits and bonuses.
- Sponsored training according projects.

Interested candidates please send us your CV and letter of motivation, in English, by e- mail to personas@fundacion.valenciaport.com
